

Brentwood Summer Fun 2021 Wellness Policy

To protect our staff and students from COVID-19 and other potential illnesses, Brentwood has implemented the following Wellness Policy for Summer Fun 2021. As a parent you must agree to the following:

1. All students will be screened before entering school each morning. Screening includes temperature, general wellness check and standard wellness questions.
2. If **anyone** in a student's family is symptomatic, out of an abundance of caution, that student must stay home until the family member has a negative test. Students may not be sent to school if a family member has pending test results.
3. If **anyone** in a student's family has tested positive for COVID-19 or been in contact with someone with a confirmed case of COVID-19, you will keep your student(s) at home and contact the school immediately.
4. Families of students in Kindergarten – 5th Grade must send a clean face covering to camp each day.
5. School and families agree to follow Brentwood's guidelines for returning to camp.
6. Students will not be permitted to attend camp if showing any of these symptoms:
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - New loss of taste or smell
